Jackie Pullen called the RCH Water Supply meeting to order at 2:00pm on Wednesday, August 3, 2022. He made introductions of the board members, Eddy Daniel and Art Rodriguez. Jackie Pullen opened the floor for comments.

Several people stood and made comments and voiced their concerns. Eddy Daniel spoke to the board and attendees. He confirmed that July 1, 2022 North Texas Municipal Water District has approved us to be a direct consumer of water from them. The City of Rockwall verbally agreed for us to go to NTMWD. Eddy also spoke that we were waiting on the approval from the City of McLendon Chisholm to build an elevated storage. He stated that this contract has been with the city for over a year. Eddy also said that within two years that RCH WSC will get water from NTMWD by way of Terrell.

Art Rodriguez spoke on the contractual issue of water meters and the setting of new meters.

Steve Hatfield spoke about RCH WSC and what is going on with the company. He spoke on doing a better job from this point forward.

Steve Hatfield moved to adjourn the meeting, Lowell English seconded the motion. Motion Passed.
